

Dorcas Easter Party 2015

We are so grateful to the Shared Blessings ICM team for the effort they made to raise funds such that the children here at Dorcas can have a party in remembrance of our Lord and savior Jesus Christ who died for our sins.

The party which was held on 6th April (Easter Monday) started with the children arriving in by 8:00am. Parties at Dorcas are their wonderful moments of the year.

We had the children sing Easter songs, got a word of the Lord from the preacher who reminded them to move in the rightful ways as they remember how God sent his only son to die for our sins. They also had a play in connection with Easter, which was so interestingly done.

We had a turn up of 146 children and as usual, we had them served lunch and later they cut the cake which was served with a soft drink.

It ended by 6:00pm; all the children were so excited and could not wait to have such a wonderful event again
